### **Spare Parts (artificial limbs) at Brisbane Powerhouse**

10 November 2010 , 9:03 AM by Spencer Howson

*I don't know if you've been watching the TV show survivor - but in the latest series, one of the contestants was an amputee - with an artificial leg. And what an eye-opener that was!*

*She's been voted off now - not because she was considered weak. But because she was considered a threat. There was nothing she couldn't achieve - she ran into the sea, along the beach - competed in challenges - everything that every other contestant was doing.*

*Let me now tell you about another goal being scored for artificial limbs. There's an exhibition at the Brisbane Powerhouse that opened yesterday - called "Spare Parts" - it uses artificial body parts as canvasses for various artworks.*

*Anne O'Keeffe was there at about 10 o'clock yesterday morning:*
